(mikro)Uši

How to use (mikro)Uši

You will need a recorder or a sound card with plug-in power input. Usually this is represented by "mic in" mini-jack input.

- 1. Plug (mikro)Uši into your recorders "mic in".
- 2. Make sure that <u>plug-in power is on</u>.
- 3. On some recorders this needs to be set up using internal menus. Consult the recorders manual if you're not sure.
- 4. Set your gain to appropriate levels and enjoy!

How to attach clips to Uši microphones (old version of clips)
