# **Equipment for field recording**

Independent comparison of recorders by Avisoft

## **Recommended field recorders**

#### Less than 250€

- second hand Sony (PCM-M10, PCM-D50)□□
- second hand Tascam recorders (DR-100)
- second hand Olympus recorders (LS-11, LS-12)□
- Roland R-07
- Sony PCM-A10

Don't expect great performance with the on-board mics with these devices. We recommend using external (LOM:)) microphones.

#### 250€ - 800€

- Sony PCM-D100
- Tascam DR-680 MK2
- Tascam DR-100
- second hand Sound Devices recorder

### 800€+

- Sound Devices MixPre-3, 6 and 10 (II)
- Sound Devices 7-series
- Sonosax

We recommend borrowing your first recorder and skipping the cheapest range. It is better to find out if field recording is for you and save for a more professional and reliable device.
